

Thanksgiving day message from Mayor Dyster

Hon. Paul A. Dyster Mayor of Niagara Falls

As we approach this holiday season, we extend sincerest best wishes to the citizens of Niagara Falls. May this season bring peace, joy and gratitude for the blessings we have received, and bring optimism and promise for our years ahead.

Though we have encountered and continue to face challenges, we have much for which to be thankful. Our City welcomed a record number of tourists in 2012, and we continue to develop more opportunities for visitors to enjoy the Niagara Falls, NY experience. The opening of the Culinary Institute, redevelopment of LaSalle Waterfront Park, and start of environmental remediation at Tract II are three valuable projects undertaken this year,

Hon. Paul Dyster, mayor of Niagara Falls, NY.

and are all vital to setting the stage for future economic development. We are

Now therefore I do recommend and assign Thursday the 26th day of November next to be devoted by the People of these States to the service of that great and glorious Being, who is the beneficent Author of all the good that was, that is, or that will be-- That we may then all unite in rendering unto him our sincere and humble thanks-

looking forward to a brighter future, as these and other projects attract attention from the business community and encourage pride in our local community.

In this season, as in others, it is

important that we remember the less fortunate and are mindful of their struggles. Let us love, share and give in the spirit of compassion and humanity.

Happy Thanksgiving!

Fruscione Turkey Giveaway

With Thanksgiving approaching, and with a number of local families in need this holiday season, Niagara Falls Chairman Sam Fruscione is looking to bring thirty turkeys to those who may be lacking the wherewithal to have a special holiday meal.

“In Niagara Falls we have a large and growing, number of families that find it difficult to put food on the table. As a public school teacher, I’m familiar with the needs of children and their

families in the city. This is admittedly a small effort but I am confident that it is focused on assisting those who can use it,” said Fruscione.

Any family that would like to request a turkey can email holiday-turkey1@gmail.com. Please include all contact information.

Any individual that knows of a family in need can submit on their behalf. All information will remain confidential.

May I join you for dinner on Thursday?
