

FROM THE DESK OF FORMER STATE SENATOR
GEORGE MAZIARZ

Dear Friend:

You know me, and you know what I stand for. For 20 years, I stood up beside neighbors like you as Niagara County's Conservative Republican voice in the New York State Senate. I stood fast against gun control. I spoke up for the sanctity of life at all stages—and especially for precious unborn babies. For 20 years, I let the Constitution and Bill of Rights serve as my guide.

For even longer than those 20 years, I have known Caroline Wojtaszek. She is well-spoken, articulate, aggressive—and she has actively worked against the things you and I value.

Caroline Wojtaszek is a pro-abortion, pro-gun control Democrat, and has been her entire adult life. Her first serious job was working as a Capitol Hill staffer for ultra-liberal Democratic Congressman Charlie Rangel, one of Nancy Pelosi's top lieutenants in the House of Representatives. One of her first acts as District Attorney was to prosecute an honorably discharged Iraq War veteran for having two loaded Glock magazines in his car trunk. Instead of thanking him for his service, Caroline Wojtaszek turned a veteran who risked his life for our country into a felon over a technical violation of Andrew Cuomo's SAFE Act.

Pro-Abortion Democrat Caroline Wojtaszek certainly hasn't been shy about who she wants to see leading our nation, either. She literally rode the Barack Obama campaign bus to Ohio to get out the vote on his behalf. She campaigned for Hillary Clinton against President Trump, too—even as 57% of Niagara County's citizens voted to Make America Great Again. I proudly voted for President Trump in 2016. I will again this year. I hope you will too. But do you know who won't be voting for President Trump? Caroline Wojtaszek.

Liberal Democrat Caroline Wojtaszek wants to be Niagara County's Judge—the person who will interpret our laws and decide who is punished for violating Andrew Cuomo's Coronavirus Executive Orders. Can Niagara County really trust Obama-Hillary Democrat Caroline Wojtaszek to protect our families' and small businesses' rights? Or will she just issue rulings in lock-step with New York City Democrat Andrew Cuomo?

As Republicans and Conservatives, we get to have a say over who will be our parties' candidates for County Judge in the June 23rd primary. We can vote in person, or we can request a ballot to vote by mail at elections.niagara.ny.us. This year's elections are going to be some of the most important in our lifetimes. Liberal Democrat Caroline Wojtaszek must not be allowed to steal the Conservative and Republican Parties' ballot line for Niagara County Judge. There's too much at stake.

Please vote, and please SAY NO TO PRO-CUOMO DEMOCRAT CAROLINE WOJTASZEK

Your Fellow Conservative Republican,
